THE F'OSCARS

You are invited to attend the 2015 production of

The First Ever

F'OSCARS AWARDS CEREMONY

In Living Color

A Production of

The Van Horn Class of 1970 Reunion Committee

As one of the cast members of 1970 you are invited to join us for this **Back to the Future**, forty-fifth anniversary event to be held at the Blue Springs Country Club at 1600 NW Circle Drive, in Blue Springs. Go to www.bluespringscountryclub.net. Phone 816.229.1194. The event will be held on Saturday, July 11, 2015.

Come rub elbows with some of your favorite celebrities and super stars from the cast of the hit movie, "1970, **The Way We Were**". All cast members will be there to answer your burning questions, pose for pictures and sign autographs. The ceremony will include awards for best costume design, among others, so the dress won't be casual, not formal, but come dressed as your favorite Hollywood character. It will be fun but isn't required.

Aliens or cast members from other production years are welcome as well.

The producers and directors of the "45th 'F'Oscar (Freddie-Oscar) Awards Ceremony" encourage you to take advantage of this opportunity to relive some of your favorite shows of the seventies and eighties such as the 1980 Hawaiian classic "Oh, My Back!", that starred Deidre as Queen Cumoniwanalayya and Chet Stumph as her bearer, or "11 Angry Men, and One Woman", starring **Ironsides** Dehardt. There were many others like "Beneath the Planet of Van Horn", starring Joe Gall and the wrestling team and Steve Wopata in "**White Guys Can't Jump**".

The ceremony will be preceded by a celebrity golf tournament during which a remake of the film "**Caddy Shack II, Hole in Six**" will be recorded. The *cattle call* will begin at 11:30 and the **Shogun** start begins at 1:00. Golfers pay \$90 which entitles them to attend the evening dinner and awards show. For those that only want to play golf the cost is \$70. A lunch **Wagon Train** will be prowling the **Green Acres** prior to the tournament if you get thirsty or hungry for hamburgers or hot dogs. Golf awards and recognitions will be made after the tournament. If you are an interested advertiser you can make yourself or your business known by sponsoring a tee for \$100. The golf price includes golf carts.

The money raised from raffles and sponsorships will be put toward college scholarships through the W.D.S. foundation, a non-profit organization that helps Independence youth afford college. The "S" stands for our own Terry Smitka. If you would like to donate by giving cash or items for the raffle let us know on the registration form.

After the golf tournament, **Red Carpet Drinks** will be served beginning at 6:00 at the cash bar. Well drinks, wine or beer are \$3. **For a Few Dollars More** you can indulge in you favorite **Cocktail** like a **Manhattan**. **Look Who's Coming to Dinner** begins at 7:00 which will be served in **Five Easy Pieces**; Brisket or Boursin Stuffed Chicken, Green Beans, Twice Baked Mashed Potatoes, Dessert and Coffee or Tea. The Dinner and evening ceremony alone costs only \$30. That's cheap!

After dinner the F'Oscar Awards Ceremony will begin directed by Julie McDaniels and starring many of your favorite actors. It is rumored that the Van Horn Men's Synchronized Swim Team may make a repeat appearance. Following the awards and skits there will time for you to catch up with your old Van Horn co-stars with soft background music until **Round Midnight**. Towards the end we'll crank it up for those who have **Happy Feet**.

Please find us on **The Social Network**, (Face Book), at [VH Class of 70 and all others that know us!](#), for updates and feedback.

Don't be one of the **Missing**. Please respond **In Time** for us to calculate the amount of food and tables that we'll need by June 28. The **Catch 22** is that you can't come if you don't RSVP. We'll have too much going on **In the Heat of the**

Night to attend to those needs. So, don't be **Clueless**, get your registration slip back to us quickly.

One of the award categories will be for best song. If you have a favorite one let us know what it is on the registration form.

We also plan to recognize those Falcons that have fallen from the nest. We try to keep up with the fallen but your help would be appreciated. Tell us who you know that has passed and approximately when.
